Established:

Authority: LGA/Municipal Finance Authority Act

Amendments:

Purpose: Debt – In 1971, the provincial government created the Municipal Finance Authority (MFA) as the central borrowing agency for municipalities and regional districts. By law, all local governments, with the exception of the City of Vancouver, are required to borrow funds for capital projects through the MFA. Regional districts function as a critical part of the MFA system. All capital borrowing requests from member municipalities and from the regional district corporation itself must be coordinated and processed by the regional district before being forwarded to the MFA.
