Get Your Free FireSmart™ Home Assessment

Wildfire preparedness starts at home. Residents are encouraged to FireSmart their homes and properties, as forest fires are a natural part of our ecosystem. Simple everyday tasks, like mowing your lawn, cleaning your gutters, and clearing debris from decks and balconies, can significantly increase the resilience of your home, neighbourhood, and community. Sign up for a free FireSmart Home Assessment and find quick & easy tips to FireSmart your home at: comoxvalleyrd.ca/firesmart
