Purchase Your 2026 Dog Licences Now

2026 dog licences are now available for purchase and are valid from January 1 until December 31 each year. The Comox Valley Regional District (CVRD) requires all dogs over six months of age to be licenced every year within Electoral Areas A (except Hornby and Denman Islands), B, and C.

Residents who live within the City of Courtenay, Town of Comox, and Village of Cumberland must contact their municipal office.

Dog licencing help reduce the number of unclaimed dogs in the CVRD and makes it easy to identify dogs and reconnect lost pets with their owners. The cost to licence a spayed or neutered dog is \$10, and for a non-spayed or neutered dog is \$25. Failure to obtain a dog licence may be subject to a \$100 fine.
